MEDIA ADVISORY: Skeletal Remains Located

Late yesterday afternoon (Sunday, January 24th), deputies responded to the area of 5710 NW 84th Terrace after a property owner reported locating possible skeletal remains on his property. Deputies confirmed the presence of skeletal remains and established a crime scene. It is unknown at this time how long the remains have been at the heavily wooded location. Several articles of evidence were located at the scene and will be processed in hopes of providing additional clues.

At this time, the gender and identity of the remains are unknown. We will work closely with the District 8 Medical Examiner's Office and the University of Florida C. A. Pound Human Identification Laboratory in an attempt to identify the remains and determine a cause of death.

Additional details will be provided as they become available.
