Media Advisory: Alachua County Sheriff's Office Offers Real-Time Community Notification Through Nixle

The Alachua County Sheriff's office has partnered with Nixle to implement its Community Notification System to alert residents in real-time for localized emergency situations and relevant public safety related community advisories.

As a resident, you can sign up for these free public safety notifications by visiting www.nixle.com, or by texting your ZIPCODE to 888777 from your mobile phone to opt-in.

Once registered, residents will receive a confirmation text to their mobile device. Residents may also customize their alert settings by going to www.nixle.com and creating a User Profile. The service is secure, reliable, and easy to use method for ACSO to get timely information to the public rapidly.

All alerts will be targeted geographically, allowing residents to receive localized, relevant alerts from ACSO. Nixle Alerts can be sent via Text, Email, Web, Social Media, and the Nixle Mobile App in an instant. Nixle is partnered with NLETS, The International Justice and Public Safety Network, for unmatched data security, as well as the National Center for Missing and Exploited Children, the National Blue Alert Network, and Google for unmatched reach and two-way information exchange.

We are very excited to have you experience it for yourself.

Founded in 2009, Nixle provides a mass communications hub built exclusively for government to provide secure, reliable, and relevant information to residents in real-time. Today, over 7,200 Agencies around the United States rely on Nixle for Community Engagement and Emergency Communications. Nixle's exclusive partnerships with NLETS, Google and the National Center for Missing and Exploited Children allows local law enforcement agencies nationwide to send immediate alerts and advisories.
