### Media Advisory: Burglary Suspect Arrested

Location of Incident: 7027 SW 24<sup>th</sup> Avenue, Gainesville, FL 32608 (Infinite Energy)

On Monday, May 22, 2017 at around 8:52 a.m., ACSO Deputies responded to the business of Infinite Energy regarding the report of a burglary. Once on scene, Deputies found that a glass door on the north east side of the business had been shattered and that several items, to include a flat screen television had been stolen.

Deputies and Investigators reviewed surveillance footage from the business, where they observed a black male suspect walking through the inside lobby of the business on Sunday, May 21<sup>st</sup>, at about 9:58 a.m. In the surveillance footage, the suspect is observed walking around with a blanket, a carton of milk and at one point even a plate of food. All of these items were things he found within the business. The suspect stayed inside of the business until around 4:50 a.m. on Monday, when he exited with a large flat screen TV.

Detectives took to social media with surveillance photos, which ultimately led to a FB tipster providing them with the possible suspect name of Anthony Hickey. Detectives compared fingerprints from Hickey to prints retrieved at the scene, which matched. On Wednesday, May 31, 2017 at 4:47 p.m., Hickey was arrested and booked into the Alachua County Jail by Detectives for the charges of Burglary, Criminal Mischief and Grand Theft. Hickey denied any involvement in this incident.
